SPRING/SUMMER 2025

THE COLLECTION

Our SS25 collection features a brand-new range of hats, bags, and visors, showcasing our latest key trends and timeless commercial styles

In the women's collection, we introduce fresh colour palettes, innovative techniques, and unique trims. Baker boy and bucket hats display abstract motifs, animal prints, and linen-like textures. Straw hats are available in impactful shades from neutrals to bold brights, complemented by matching bands and charm details. This season, we've also added a versatile collection of bags perfect for any sunny occasion. From clutches to beach bags, there's a style to match each of our key trend capsules.

Our men's collection blends timeless styles with our latest trends. Straw hats retain their classic shapes but are refreshed with updated bands and trims. Bucket hats incorporate utility elements such as toggles, reversible fabrics, pockets, and feature fresh patterns and colours, complemented by our staple baseball caps. Additionally, new checked fabrics in flat caps and baker boy styles add a touch of contemporary flair.
